## CREDITS

The University of North Carolina Eshelman School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program:

Morning sessions of Provider Status AND Transition of Care topics - 0046-9999-16-032-L04-P/T (2 hours)

Morning session of Anticoagulant Reversal - 0046-9999-16-033-L01-P/T(1 hour)

All afternoon sessions - 0046-9999-16-034-L01-P/T (3 hours)

will provide **6.0 contact hours** of continuing education.

Credit statements can be viewed and printed from CPE Monitor. In order to receive CE credit, attendance must be acknowledged at the registration desk upon arrival at the program. Participants will evaluate this program using a standard evaluation form.

**CEUs:** MAHEC designates this continuing education activity as meeting the criteria for **0.6 CEUs** as established by the National Task Force on the Continuing Education Unit. You must attend the entire workshop to receive CEUs.

## OBJECTIVES

Upon completion of this knowledge-based educational event, the participant should be able to:

### Pharmacists (P) and Pharmacy Technicians (T)

- Highlight the proposed elements of current provider status legislation in the United States Congress (P/T)
- Describe how other states such as California and Oregon have implemented state legislation that recognizes pharmacists as providers (P/T)
- Discuss steps that North Carolina pharmacists can take to enhance readiness for legislative practice changes (P/T)
- Examine risk of bleeding associated with anticoagulant therapy (P)
- Review current guidelines for reversal of anticoagulants (P/T)
- Evaluate utility of reversal agents in setting of direct oral anticoagulants (P)
- Discuss approved anticoagulant reversal agents and those currently in development (P/T)
- Become aware of common errors seen when patients transition out of the hospital (P/T)
- Become informed about what Mission Hospital is doing to reduce the errors (P/T)
- Review tools and literature-based processes that could be used to implement TOC in your own practice (P/T)
- Brainstorm about what you can do to reduce medication errors during care transitions (P/T)
- Discuss universal precautions in pain management (P/T)
- Develop opioid taper plans for patient cases (P)
- State how Hepatitis C virus is transmitted and how healthcare workers may be exposed (P/T)
- Discuss recommendations for screening, diagnosis and prevention strategies of Hepatitis C (P/T)
- Describe current pharmacotherapy options for Hepatitis C (P/T)
- Optimize management strategies for patients with Hepatitis C infection (P)
- Describe recent updates in hypertension treatment goals and management (P/T)
- Review common medications for the treatment of hypertension (P/T)
- Appraise the recently published SPRINT trial (P)
- Formulate opinions on how results of the SPRINT trial impact clinical practice (P)

# REGISTRATION

**Early Registration Deadline: March 6, 2016**

Early registration fee is

Pharmacists:	\$139 per person FULL day
Pharmacists:	\$75 per person HALF day
Pharmacy Techs:	\$75 per person FULL day
Pharmacy Techs:	\$45 per person HALF day

and includes administrative costs, educational materials and refreshments. Lunch is provided for full day participants.

If registration is received after the deadline, the total fee will be the registration fee + \$15.00.

MAHEC has a pay-up-front policy for all CE programs. The only exceptions will be for pre-approved programs where an individual payment plan is appropriate. Registrations received without accompanying payment will not be processed and participants who have not paid the course fee will not be admitted into the program.

Cancellations received at least two weeks in advance of the program date will receive a full refund unless otherwise noted. Cancellations received between two weeks and up to 48 hours prior to the program date will receive a 70% refund unless otherwise noted. No refunds will be given for cancellations received less than 48 hours prior to the program date. All cancellations must be made in writing (fax, mail, or email). Substitutes can be accommodated in advance of the program.
