

New Drugs and Pharmacy Law

Thursday, Nov. 3, 2016 \ 8 am – 4 pm

Northwest AHEC

Bridger Field House at Wake Forest BB&T Field

Winston-Salem, N.C.

Target Audience:

Pharmacists and Pharmacy Technicians

New Drugs

Description:

This activity will update participants on new drugs that have recently entered the U.S. market.

At the conclusion of this activity, participants should be better able to:

- Identify new agents that have recently entered the U.S. market and are significant pharmacotherapeutic advances.
- Describe the mechanism(s) of action of these agents, typical dose(s) used, common adverse reactions and/or contraindications associated with their use.
- Discuss appropriate use of these new agents, comparing them with older agents used for the same indications.
- List special patient instructions and/or monitoring parameters required with the use of these agents.
- Pharmacy Technicians — List new agents and their therapeutic indications.
- Pharmacy Technicians — Educate patients as directed by the pharmacists on the appropriate use of these agents.

Speaker

Scott Perkins, PharmD

Scott Perkins is a Clinical Assistant Professor and Co-director of Drug Information at Campbell University College of Pharmacy & Health Sciences. Born in Charlotte, N.C., he obtained his Doctor of Pharmacy degree from Wingate University School of Pharmacy in 2012 and completed a one-year, drug information residency at Wingate's Drug Information Center thereafter. Scott began working at Campbell University's College of Pharmacy and Health Sciences in 2014, where he is the course director for Drug Information and Literature Evaluation as well as a preceptor for fourth-year student pharmacists. Scott's research has focused on the use of technology in both health care and health care education, which addresses topics such as the use of electronic health records in the classroom, the evaluation of a mobile app to request drug information and the utilization of fitness devices for patients with type 2 diabetes.

Pharmacy Law

Description:

A good understanding of pharmacy law is essential for every practicing pharmacist and technician. Several important changes to North Carolina and federal law have been implemented and will be reviewed in this knowledge-based continuing education. Thomas R. Thutt, BSP Pharm, will provide participants with the most up-to-date information on both federal and North Carolina pharmacy laws that impact their practice.

At the conclusion of this activity, participants should be better able to:

- Describe recent changes in rules that affect the practice of pharmacy.
- Explain recent statutory changes, federal and state, that affect the practice of pharmacy.
- Explore various legal “hot topics” affecting the practice of pharmacy, and, in particular, Board of Pharmacy disciplinary emphasis points.
- Pharmacy Technicians — Review aspects of pharmacy law that affect dispensing.
- Pharmacy Technicians — Evaluate issues that affect pharmacy technicians.

Speaker

Thomas R. Thutt, RPh

Tom Thutt, RPh, will provide participants with the most up-to-date information on both federal and North Carolina state pharmacy laws that impact their practice. A good understanding of pharmacy law is essential for every practicing pharmacist and technician. Any changes that took place during 2016 will be reviewed in this knowledge-based continuing education live and remote live program. Thutt earned a Bachelor of Science degree in pharmacy, now called a PharmD for doctor of pharmacy. Thutt is the founder of the NC Multistate Pharmacy Jurisprudence Examination. This exam combines federal- and state-specific questions to test the pharmacy jurisprudence knowledge of prospective pharmacists. Tom Thutt serves as an Adjunct Assistant Professor at the UNC School of Pharmacy. It is here Thutt instructed the Pharmacy Law Class including the yearly ethics lecture on Community Pharmacy for five years. He retired from practicing retail pharmacy in November 2012.

For More Information and Assistance

If you have questions about registering for this activity, have not received confirmation of your registration, or need auxiliary aids or special services to attend, please contact Michelle Adams at least five working days prior to the activity by calling 336-713-7726 or emailing micadams@wakehealth.edu.

REGISTER AND PAY ONLINE AT NORTHWESTAHEC.ORG

The University of North Carolina Eshelman School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program will provide a total of 2.0 contact hours for Pharmacy Law and 4.0 contact hours for New Drugs.

AHEC Faculty Coordinator:

Sheila D. Bogan, MPH, MCHES

Coordinator of Dental and Pharmacy Continuing Professional Development
Northwest AHEC

No partial credit will be offered for this program.

Continuing Education Credit: To receive CE credit, participants must preregister and acknowledge their attendance by signing in at the beginning of the program. Participants must attend 100 percent of the program and participate in learning activities. Statements of credit can be viewed and printed from CPE Monitor.

Important new requirement from the Accreditation Council for Pharmacy Education (ACPE) and the National Association of Boards of Pharmacy (NABP) for all pharmacists and technicians who obtain CPE credit. The CPE Monitor system will securely track all your completed CPE credits in a central system. Learn about the new requirement at: www.nabp.net.

Co-provided by: Northwest Area Health Education Center (AHEC), a program of Wake Forest School of Medicine and part of the NC AHEC System, and the University of North Carolina Eshelman School of Pharmacy.

Please check your NPA membership status prior to registering at the reduced rate. If you have questions regarding your NPA membership status, please contact Mike Brewer at micbrewe@wakehealth.edu.

Payment and Refund Policies

Register and pay online at northwestahec.org or complete and return the attached registration form. Payment by credit card (Visa, MasterCard, American Express), cash, money order, personal check or corporate check is accepted.

Payment Policy:

Payment is required on or before entrance into any Northwest AHEC activity. If a corporate payment has not been received prior to the activity start date, you will be required to provide a personal credit card or check. If the corporate payment has not been received two weeks post activity, your personal credit card or check will be charged or cashed. To avoid personal payment, you should check with the financial staff at your organization to determine status of payment.

Refund Policy:

Cancellations received in our office at least two days prior to the activity will result in a charge of \$50, or 30 percent of the paid registration fee, whichever is less. The registration fee will not be refunded if a cancellation is received less than two days before the activity. You may send a substitute in your place.

When planning for an educational activity, registration fees are not based on credit hours or agenda. Registration fees are based on expenses such as meeting room rentals, food, equipment, staff, etc. and are not adjusted by issues such as cancellation of speakers or other unforeseen circumstances. Every effort will be given to ensure the activity is a success.

Note— Registering for and attending this program authorizes Northwest AHEC/Wake Forest School of Medicine to take pictures to be used for the Center's publications, website (including social media sites) and presentations. If you do not wish to be photographed, you may opt out of photographs the day the activity.
