October 30, 2015

ACPE# 0046-9999-15-109-L03-P

8:55 a.m. – 4:30 p.m. (Check-in at 8:30 a.m.)

6.0 contact hours

Faculty:

Patrice Walker, J.D.
Attorney at Law in Chapel Hill, NC

Program Description:

This program will focus on events in 2015 that have changed or affected health law and dental law in North Carolina. Included are court cases, changes in health law and dental law statutes and changes in regulations. Ethical and legal issues that have impacted health care professionals including: Physical Therapists, Physical Therapist Assistants, Pharmacists, Nurses, Dental Health professionals and Mental Health professionals in 2015 will also be discussed.

Pharmacist Learning Objectives:

By the end of this knowledge-based conference, participants should be able to:

- Identify changes in health law and dental law statutes, cases from the courts, and changes in regulations that affect the health care field in North Carolina.
- Discuss the relationship between ethics and legal issues that have arisen in 2015 related to health care professionals, dental professionals, and mental health professionals.
- Identify how these changes impact your health care system or practice.
