OBJECTIVES

Upon completion of this knowledge-based educational event, the participant should be able to:

- Identify a few common rashes dermatologic conditions (P/T)
- Identify reasonable OTC treatment to those conditions (P)
- Identify several high risk rashes that would prompt immediate medical attention (P/T)
- List at least 10 medications that were newly approved by the FDA in the past year that are or may be prescribed from their practice site (P/T)
- Review the mechanism of action of these medications and their role in their respective disease states (P)
- Describe the dosing, precautions, common side effects, and key patient counseling points for these medications (P)
- Briefly discuss literature regarding the newly FDA approved therapies (P)
- Apply conclusions drawn from literature to clinical practice (P)
- Compare and contrast the clinical features and physiologic components of urge, overflow, mixed and functional urinary incontinence (P)
- Describe non-pharmacologic and pharmacological treatment options for urinary incontinence (P)
- Determine appropriate therapy depending on the type of urinary incontinence (P)
- Identify the adverse effects of pharmacological therapy for urinary incontinence (P)
- List the different types of urinary incontinence (T)
- Recognize the different medications used to treat urinary incontinence (T)
- Identify urinary incontinence medications that require special attention to dosage form or dosage administration (T)
- Discuss pathophysiology and basic treatment principles of asthma (P/T)
- Outline recent updates in treatment (P)
- Review Asthma-COPD Overlap Syndrome (ACOS) (P)
- Define and review the significance and manifestations of diabetic nephropathy, retinopathy, and neuropathy (P/T)
- Discuss pathogenesis and risk factors (P/T)
- Examine the evidence on treatment and prevention strategies (P)

UNC
ESHELMAN
SCHOOL OF PHARMACY

CREDITS

The University of North Carolina Eshelman School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Morning Session – This program 0046-9999-16-248-L01-P/T will provide **3.0 contact hours** of continuing education.

Afternoon Session – This program 0046-9999-16-249-L01-P/T will provide **3.0 contact hours** of continuing education.

Credit statements can be viewed and printed from CPE Monitor. In order to receive CE credit, attendance must be acknowledged at the registration desk upon arrival at the program. Participants will evaluate this program using a standard evaluation form.

CEUs: MAHEC designates this continuing education activity as meeting the criteria for **0.6 CEUs** as established by the National Task Force on the Continuing Education Unit. You must attend the entire workshop to receive CEUs.

REGISTRATION

Early Registration Deadline: December 4, 2016

Early registration fee is \$139.00 for pharmacists (full-day), \$75.00 for pharmacists (half-day), \$75.00 for pharmacy technicians (full-day), and \$40.00 for pharmacy technicians (half-day). Registration fee includes administrative costs, educational materials, continental breakfast, and lunch (for those attending in person at MAHEC). If registration is received after the deadline, the total fee will be the registration fee + \$15.00.

MAHEC has a pay-up-front policy for all CE programs. The only exceptions will be for pre-approved programs where an individual payment plan is appropriate. Registrations received without accompanying payment will not be processed and participants who have not paid the course fee will not be admitted into the program.

Cancellations received at least two weeks in advance of the program date will receive a full refund unless otherwise noted. Cancellations received between two weeks and up to 48 hours prior to the program date will receive a 70% refund unless otherwise noted. No refunds will be given for cancellations received less than 48 hours prior to the program date. All cancellations must be made in writing (fax, mail, or email). Substitutes can be accommodated in advance of the program.

Directions to MAHEC Biltmore Campus

121 Hendersonville Rd., Asheville, NC, 28803

From I-40 Eastbound, take Exit 50 and turn left onto Hendersonville Road.

From I-40 Westbound, take Exit 50B and merge onto Hendersonville Road.

At the first light, turn left into the DoubleTree Hotel complex. Turn left (away from the hotel). You will see a steep driveway on your right. Turn right and go up that driveway to the MAHEC Biltmore Campus.

From 19-23 (I-26) take 240 East to Exit 5B (Charlotte Street). Exit right onto Charlotte Street. At the 4th light, make a left onto Biltmore Avenue. Proceed through 8 traffic lights. At the 9th light turn right into the DoubleTree Hotel complex. Turn left (away from the hotel). You will see a steep driveway on your right. Turn right and go up that driveway to the MAHEC Biltmore Campus
